Maine Lottery Means More Business for You!

Turn a Small Space Into a Big Opportunity

Maine Lottery products generate revenue with every transaction. Becoming a Lottery retailer has the potential to:

- Add to impulse purchases
- Increase sales for your full line of products
- Build a loyal customer base and predictable traffic
- Extra time to pay
- More games on sale

Lottery customers spend over twice as much per store visit compared with non-lottery customers!

Earn Big Bonus Commissions!

Was that winning lottery ticket purchased at your store? If so, congratulations! You just got a piece of the action. We pay you agent bonuses for selling winning jackpot tickets for certain games up to \$50,000!

Benefit from Delayed Billing

We offer our lottery agents delayed billing without interest charges! That means you can sit on your cash longer and increase your buying power. Take advantage of:

- No up-front cost of inventory
- No “out-of-inventory” problems
- Secure delivery of games
- Extra time to pay
- More games on sale

Commissions and Profits

The Maine Lottery provides incredible value to our retail partners through increased profits and sales commissions.

- Enjoy a 7% commission on every instant ticket you sell
- Earn a 5% commission on all draw tickets

Bring in More Customers!

As a Maine Lottery retailer, you can easily boost your sales and foot traffic just by adding a few extra games and products! Attract a wider audience by:

- Keeping dispensers full
- Placing Lottery products on the front counter
- Displaying jackpots, promotions, winning tickets and new games prominently
- Asking for the sale!
